

Mulberry's Market Community Giving Program

Mulberry's Market strives to be a good corporate citizen and welcomes requests for financial and in-kind contributions. Mulberry's has pledged to give 10% of its after-tax profits to local schools and community groups. As one of the few visible businesses in Piedmont, *we receive approximately 5-10 requests each week from Piedmont community groups*, and we do our best to support as many as possible. We are best able to support those groups that give advance notice of their event or request. *Because of the volume of requests and our need to budget in advance for donations, we are unable to respond to form letters we receive in the mail.*

Please fill out the information below so that Mulberry's Market can give your request its full consideration.
